

AA4CS, CAROL

BIO

First licenced in the UK with a G6 callsign Carol recently rediscovered ham radio and currently enjoys collecting and restoring vintage tube radios and hi fi and having fun operating DX or contests with her more modern equipment. During her military service with the RAF she operated all types of communications and radar equipment from many worldwide locations, currently she flies professionally and occasionally has the opportunity to operate /AM. Other hobbies include SCUBA cave diving and encouraging/mentoring the next generation to pursue STEM careers.
