

Licensed in March of 2016 as Technician, call KC1FIU. Jim upgraded to General in April and acquired K1JLC, then to Extra in September of the same year. He has always been interested in communications starting with CB in the early 70's.

He and Susan his XYL, have four children and twelve grandchildren and many years later at 62 finally licensed. Jim has made several wonderful contacts worldwide, great hobby, great people and a never ending learning curve!
