

Bill was licensed in 2001 and soon upgraded from Tech class to Extra Class. While in the US Army Bill was assigned to the following units
Signal Co. Spt Bn 10th SFGA Fort Devens MA, HQ Co 141st Signal Bn in the 1st Armored Division, HHB 6th Air Combat Cavalry Brigade and 871st Combat Eng Bn.
Bills working life was mostly comprised of running small business, service station, Hobby Shop and Security Companies. For a couple of years Bill was a Bail Bonds man in Midland Texas and a Area Field Manager for U-Haul in West Texas for several years..
Bill is a past State Director of US Army MARS (North Carolina) and held a position on the Chief Army MARS Staff.
Enjoying all Ham Radio has to offer, Bill mostly enjoys informal groups, DXing and learning.
Bill can be found on 160m, 40m, 20m most days and
any bands open for DX.

Bill and wife Bunny have operated a small Hobby Shop for many years and are now scaling back the store and getting ready for retirement and the full time RV life style. The Shack shown in the pictures is in our 30 foot Travel Trailer. All of Bill's antennas are easy and quick to set up and our Ram 2500 is equipped with a Alinco DX-SR8T HF Radio and a QYT 2m,220,440 rig. Antennas include MFJ 298280-6 Vertical. Tripod mounted Tar Heel Screw Driver,,
MyAntennas [EFLW-1.5K End Fed Long Wire Antenna](#) and [MFJ Shorty Ham Sticks for the mobile station](#).
Bill QSL's direct or Log of the World.
